

Over 30 LHS Cross Country Runners, past and present, gathered for the Red, White, and Blue 5K race at the Countryside YMCA. It is a great way we are able to connect old traditions with our new runners. It is also an opportunity for our group to give back to the community; the proceeds of the race benefit the Interfaith Hospitality Network of Warren County which helps the homeless in our community. This is our second year participating in this race and we plan to continue to support this organization and their cause.

Sincerely,
